RAWAN YASSER

full stack developer

📞 +201025104928   ✉ rawan2972000@gmil.com   📍 Cairo, Egypt

ABOUT ME

Web Developer with a focus on creating modern, responsive web applications utilizing React and Node.js. I aim to design user-friendly interfaces, develop RESTful APIs, and deliver scalable full-stack solutions.

EDUCATION

AinShams University | 2018-2022

Accountant

I graduated from business college with a very good degree in accounting.

AL madrsa | 2025-2026

Frontend Developer

I completed a 9-month Frontend Development scholarship on the almdrasa.com platform, gaining solid foundations in React development and hands-on experience through multiple practical projects.

WORK EXPERIENCE

Elmadrasah Platform | 2025

Frontend Developer Trainee
